## Summary

I'm a student pursuing Bs in Data Science and Applications from IIT MADRAS and Bachelor of technology in Computer Science Engineering from ABES Institute of Technology, Ghaziabad (AKTU), I am a passionate, inquisitive, self-motivated, and hardworking human who gives 100% to my assigned tasks. Eager to learn and contribute in various technical fields to broaden my skill set and build useful products.

I belong to self-employee background family which is why I know the importance of time management..

I love to play badminton because it makes me fit and also it keeps me happy & come after a long day of work..
